

Cleaners & Degreasers

Power Clean

Extreme performance cleaner & degreaser

- Most aggressive cleaners on the market
- Contains chlorinated cleaning agents
- Effectively removes dirt and contaminants from surface and pores
- Quick evaporation
- Cleans without wiping
- Residue free
- Low odor
- Safe to use on all metal surfaces
- Works on all temperatures

Note: Power Clean will remove NanoMoldCoating™

Part Number	Package Size	Container	Package Quantity	Shelf Life
PC - 1	454 g	Can	1	30 months
PC - 12	454 g	Can	Case of 12	30 months

Mold Brite

High performance cleaner & degreaser

- Non-chlorinated formula
- Powerful cleaning formula for difficult to remove contaminants
- Cleans surfaces down to the virgin metal
- Flushes contaminants from the pores without wiping
- Fast evaporating chemistry eliminates issues with bleeding into ejector pins and hard to reach areas
- Residue free

Note: Mold Brite will remove NanoMoldCoating™
